The Collective Equality Gala (CEG) is a 509(a)(2) public charity fundraiser centered on community service, social engagement, civic participation in preventative health and holistic care, and community mental health advocacy. The event uplifts both local BIPOC LGBTQIA+ and indigenous communities, and leading educators with nationally recognized artists, storytellers, and advocates.

Proceeds support free and low-cost health, wellness, advocacy, legal aid, and clinical services for BIPOC LGBTQIA+ individuals and underserved populations through The Collective Foundation for Structural Integration (CFSI) and portion of proceeds to The Equality Clinic of Augusta, The Trevor Project, and Translifeline (via CFSI).

The inaugural 2026 gala theme is Radical Radiance. cfsigala.org
